

PLANNING

Thursday 25th March

09:00- 3:00 Ravel	Exhibition opened exclusively to the press and professionals
13:00 -18:00	Exhibition
09:00-10:00 Camille Blanc	Plenary Session 1 Speaker : Dr. Grzegorz Ombach Brose Fahrzeugteile GmbH & Co (D) Topic : Influence of electric vehicle trend on new electromechanical components development
10:30 -12:30 Camille Blanc	Lecture Sessions RE1 : Special Session on Grid System Technology.
10:30 -12:00 Auric 4 Auric 5	Lecture Sessions EV1 : Electric Machine Diagnosis. RE2 : Photovoltaic Systems.
13:30-15:00 Auric 4 Auric 5	Lecture Sessions EV2 :Oral Session on Reluctance Motors RE3 : Oral Session on Solar Energy Technology.
15:00-16:00 Camille Blanc	Official Opening Plenary Session Moderator: Patrice Drevet Speakers <ul style="list-style-type: none">- Tom SMITH, Nissan LEAF Chief Marketing Executive, Europe- Jeffrey SACHS, Director of Earth Institute at the Columbia University- Anthony BERNBAUM, Head of Global Special Opportunities, HSBC Private Bank
16:30-18:30 Camille Blanc	Lecture Sessions EV3 : Special Session On Motor Drives Dedicated to Electric Vehicles.
16:30-18:00 Auric 4 Auric 5	Lecture Sessions RE4 : Special Session Integration Of Electric Vehicles in Decentralized Energy Supply Systems EV4 : Special Session on Green Marine
16:30-18:00 Van Dongen	Panel discussion organised by BNP Paribas Wealth Management on the Solidarity Economy, Round Table by invitation only.
18:30 Ravel	Welcoming Cocktail offered by the Princely Government.

Friday 26th March

10:00-18:00 Ravel	Exhibition
09:00-10:00 Camille Blanc	Plenary Session 2 Speaker : Ion Boldea Politehnica University of Timisoara (RO) Topic : Electric propulsion systems on HEV: a review and perspective
9:30-12:00	2 nd Two-Wheel Electric Vehicle Performance Challenge - Autonomy Test
10:30 -12:30 Camille Blanc Auric 4 Auric 5 Apollinaire	Lecture Sessions REV1 : Marketing and National R&D Projects REV2 : Converters EV5 : Modelling EV6 : Electric and Hybrid Vehicles

12:00-14:00 Van Dongen	Ever Ahead : Clean Tuesday Meeting.
14:00-16:00 Auric 4 Auric 5 Apollinaire	Lecture Sessions EV7 : Batteries and Sustainable Fuels EV8 : Safety and Risk Analysis of Transport Systems RE5 : Renewable Energies and Applications
14:30	2 nd Two-Wheel Electric Vehicle Performance Challenge – Acceleration Test
16:30-18:30 Auric 4 Auric 5 Apollinaire Van Dongen	Lecture Sessions EV9 : Special Session on Machine Design and Optimization RE6 : Special Session on Interfacing Renewable Energies to the Grid EV10 : Machine Control RE7 : Special Session on Efficient Energy Management and Control at Home, Building and Neigh Borough Level
16:30 Camille Blanc	6th Meetings of Monaco « Youth and Sustainable Development ».
20:30 Fairmont Monte-Carlo	Official Dinner
Saturday 27th March	
10:00-18:00 Ravel	Exhibition
10:00-11:30 Auric 4	Round Table on mobility : Are we heading towards zero-emission mobility? Moderator : Didier Laurent, Director of Redaction of “L’Argus” Keynote Speakers : - Daniel NACASS , General Manager PR (Europe) at Mitsubishi Motors - Hélène RENARD , Sustainable Development Delegate La Poste Group - Bernard BRULÉ , Promotion Manager for Alternative Energy Vehicles at Peugeot - Marco PIFFARETTI , Protoscar’s SA Director
11:30-13:00 Auric 5	Round Table on Energy Efficiency Moderator: Patrice Drevet Keynote Speakers : - Dominique HERON , Partnership Director at Veolia - Agostino RENNA , VP Sales Marketing, Johnson Controls Inc - Pierfranck PELACCHI , Head of SMEG Technico-Commercial
15:00-18:30	Round Tables
15:00-17:00 Auric 4	Health and Interior Air
17:00-18:30 Auric 5	Air and Health: car passenger compartment Moderator : Jean-Claude DUROUSSEAUD , originator of « Les Respirations », the congress dedicated to air quality and the issues at stake Speakers : - Dr Daniel NORMAND , Founder of SCORL (Collegiate Society of ENT) - Dr Etienne DE VANSSAY , President of FIMEA (Interprofessional Federation of Atmospheric Environment Professions)
15:26	Arrival of the 4th Rally Monte-Carlo for Alternative Energy
16:00	Parade
Sunday 28th March	
10:00-18:00	Exhibition
